### Research Fellowships in Pali Studies

The Council of the Pali Text Society invite applications for Research Fellowships from suitably qualified persons, working in the field of Pali studies. Applicants will usually be in the fourth year of a course of graduate research, or its equivalent. The course of research will be expected to lead to a publishable book, on the publication rights of which the Pali Text Society will have first option.

Fellowships will be tenable for one year in the first instance, with a possibility of renewal. The value will be fixed at the appropriate level for a comparable research worker in the applicant's country of domicile. Letters of application and requests for information should be sent to:

Mr K.R. Norman,  
Faculty of Oriental Studies,  
Sidgwick Avenue,  
Cambridge,  
England CB3 9DA.
